### Description

Set between St. Leonhard and Feistritz on the road to the church, the route branches off heading up to Oberweissen Hittl. Car parking is available for your vehicle here. Direct from Oberweissen Hittl the short children's toboggan run proceeds across gentle pastureland. The route even has the luxury of night-time floodlighting. If you haven't brought your own toboggan with you they can be hired at Oberweissen Hittl. The ascent via the short toboggan run will certainly not overtax little ones. For the adults, there is a sun terrace to relax on, while they keep an eye on their children as they play. An excursion to the lovely surrounding area is well worthwhile.
