Description

With a nearly continuous gradient (ca. 13 %), this route on a tarmac road leads to the urn-off to Lake Tristacher See and then on to the Kreithof inn on 1,047 m.

Passing by the toll plaza, the road leads all the way to mountain lodge Dolomitenhütte on 1,616 m, into the heart of the Lienz Dolomites. Before you return, it’s worth making a stop at the mountain lodge where - apart from the culinary delights - you should definitely also enjoy the magnificent view.
