## Description

Starting from the tourist information in Prägraten a. G. , the trail leads in a few large hairpin bends along the municipal road to the district of "Bichl". (30 min.) From there, continue in a westerly direction until you reach a sharp right-hand bend, where you do not turn off but continue straight ahead. Then in a few long hairpin bends through sparse larch forest to the end point, where you can enjoy the magnificent panoramic view of the three thousand metre peaks of the Lasörling group. Tip: On the way back, take a short detour to the chapel "Heiligen-Geist-Kapelle" and stop off at "Adis Treff".

One highlight is the bird feeding station, where the birds literally eat out of your hand.
