Description

Getting to this tobogganing fun takes a comfortable ride up (for a fee) on the gondola lift from Kals/Großdorf to the Gorneralm intermediate terminus with your toboggan. To enjoy long tobogganing fun, please note that this is a ski path also used by skiers.

Once you reach the valley, you can enjoy a leisurely stop for refreshments at the Temblerhof or the Gamsalm.

Note: The respective operators are solely responsible for the operation, condition, and safety of the toboggan runs. The East Tyrol Tourism Association provides information on opening status and opening hours based solely on written notifications from the operators and accepts no liability or guarantee for this information.
