Toboggan run Oberweissen St. Jakob i. D.

Description

The short, floodlit children's toboggan run runs directly from **Oberweissen Hittl** across gentle meadows and if you haven't brought your own toboggan, you can hire one from **Oberweissen Hittl**. The ascent on the short toboggan run is manageable even for the little ones. There is a sun terrace for adults to relax on, while the children can always keep an eye on their activities.

An excursion in pleasant surroundings that is really worthwhile.
