## **Beschreibung Bike**

From the municipal office in Kals a. G. you first head west, then turn right at the school and follow the old Lucknerhausstraße (steeply ascending forest road) to the junction of the new Kalser Glocknerstraße (asphalted). Here you turn right again and follow the asphalted Lucknerhausstraße, about 1 km further to the Alpengasthof Lucknerhaus. The return journey to Kals a. G. is then via the asphalted toll road.

The times are for E-Bikers.

## **Beschreibung Wanderung**

To the left of the Lucknerhaus, the "Wendelin-Weingartner-Weg" No. 42 leads in the direction of the Figerhorn. After a few switchbacks through the initially steep area, you reach the "Greiwiesen". The path continues flatter until you reach the "Grei Bühel". Heading north, you march along the path towards the summit flank of the Figerhorn. Finally, you climb the last meters over the ridge ridge, and thus towards the beautiful summit cross!
