Beschreibung Wanderung

From the Würfelehütte, follow the forest road in the direction of the Wetterkreuz and after about 200m turn right in the direction of Motschendaberalm and Zupalseehütte. The path leads at first only in a slight incline, past the Rudnigalm, far into the Steinkastal, before you can follow a steep trail to the left to the Zupalseehütte. In addition to the crystal-clear mountain lake, the hut also offers a rich menu.
