## Description

The theme trail takes you from the Kaiser district Großdorf along the stream "Kaiserbach" to the district Taurer. Animal figures and information boards on the compelling discovery trail invite you to play, discover and work creatively with nature. Where do badgers live, what do I hear in the forest, how do red deers survive the winter and much more information can be found on the information boards. Bubu the eagle owl accompanies the visitors and tells them many interesting facts about nature and culture in and around Kals am Großglockner at the seven stops.
