Description

We are heading off for our tour at the cable car station in Obertilliach, which is situated directly under the local church. At first the mountain path leads us in the direction of Rals. Then, after approxiamtely 300 metres, we follow the path number 43a until we reach "Scharwiese". From there we take the mountain path number 43c until we reach "Gontscheidwiesen" and then we hike towards "Bannwaldweg". After we reach the cable car, there's a steeper path on the left which leads to the village or we choose the wider "Bannwaldweg" to get back to Obertilliach.
