## Description

By using this hiking variation of the Glockner crown you may start directly in Kals am Großglockner and don't have to use the taxi transfer to Matrei/Glanz. But please be aware that one part of this hikingpath the so called "Dürrenfeldscharte" is categorized in black, which means you have to be experienced in alpine hiking, make secure steps and you may not be afraid of the hight. The starting point is in Kals/Großdorf, then take the hiking route nr. AV 502 B to Kals-Matreier-Törl-Haus, further to the Kalser Höhe and Hochtörl until you reach the Sudetendeutschen Hütte.
