Description

To the west of Sillian train station, cross the station, following the trail to the left across a gravel road until you reach a wayside cross. Bear right at the wayside cross via a pasture trail until you get to the road and follow this until just after the first big hairpin bend. Bear right following the signposts through the forest, up to Gschwendter Kreuz. From here via the shaded forest to just beneath the Leckfeldalm, where you get to a forest trail again. With views to the Alpine lodge over the final few metres.
