Description

From Obertilliach an asphalt farm road proceeds initially up to a wayside cross just before Mühlboden (children's playground). A gravel road starts there taking you through Dorfertal meandering to Klapfsee. From Klapfsee follow the steep trail, no. 17, up to the Porzehütte, which will take around 45 minutes. The most convenient variant on foot from Klapfsee is the agricultural road to Porzehütte; in this case it is a walk of about an hour. Access to the lodge is available on Saturdays, Sundays and bank holidays, otherwise only to Schranken at Klapfsee.
