Description

This more demanding tour starts from the Eden-Happeck car park. From there, it takes about 3 hours to climb up the so-called Bärensteig. At the end of the trail, you will find the Kals-Matreier-Törl with the hut of the same name. It is definitely worth stopping for a bite to eat, as you will be treated to regional products and bread from the wood-fired oven. The terrace offers a wonderful view of the Glockner, Venediger and Schober mountain ranges.
