## Description

The starting point of this more demanding hike is the parking place Matreier Tauernhaus. From there, follow the slightly ascending road towards the Gschlößtal and continue along the Wohlgemuthalmen to the Berghaus Außergschlöß. Along the stream Gschlößbach leads a moderate path towards the Venedigerhaus Innergschlöß. Passing the Venedigerhaus, continue along the right side of the stream until you reach the bridge, which you then have to cross. Take the path up to the hut Alte Prager Hütte. From the Alte Prager Hütte follow the marked path up to the hut Neue Prager Hütte. On this hike you have a fabulous view of the Schlatenkees and the Großvenediger.
