Description

The ascent starts from the Bodenalm car park, which can be reached via the hamlet of Wallhorn near Prägraten a.G. Here, you immediately leave the track and set off along a footpath. This leads through partly wooded countryside, over a small stream and then crosses a track. The path then leads straight on to the Nilljochhütte at 1,990 metres above sea level. It can also be combined with the 3-Almen hike, taking in the Schmiedleralm and Gottschaunalm.
