

## Kerschbaumer bothy via Googsteig

Kerschbaumeralm bothy is located at 1902m altitude in Kerschbaumeralm, north west of the main area of the Lienz Dolomites. Surrounded by numerous peaks which are Alpine in scale (Kreuzkofel, Eisenschuß, Weittalsspitze, Simonskopf, Große and Kleine Gamswiesenspitze), yet at the same time providing open views to the north, to the Schober group.

### Altitude profile

## The most important at a glance

distance 16.8 km	altitude meters uphill 1500 m	altitude meters downhill 1350 m	walking time uphill 5 h
walking time downhill 3 h	total walking time 8 h	highest point 1900 m	difficulty average

## Description

From the car park at Amlach forest tavern (690m) via the steeply ascending Goggsteig to the Gogghüttl. Then follow the flat path to the Klammbrückl. (You can park here too if you want to shorten the tour and spare yourself tackling the steep Goggsteig). Then continue on the well signposted path up to Kerschbaumeralm bothy.
