Description

From the district of Kals / Lesach (car park Lesachbruecke or Lesacherhof) to Oberlesach and then continue on the road towards Lesachalmhuette, at the Lesachriegel turnoff continue on the forest path. After a few turns through the forest, the view to the Lesachriegelhuette opens (not managed); from here the view widens to the impressive panorama over the three thousand meter peaks of the Schober Group (Gloedis, Ganot, Hochschober...) and you follow the climb across mountain meadows to the Lesachriegel.

Also possible as circular trip.

Lesachalm and back to Lesach via the road or stream path.

Please do not forget to bring your own snacks - huts are not open to the public!
