Winter hiking Matreier Tauernhaus-Runde

Description

This family hike starts at the Matreier Tauernhaus and initially leads in the direction of Gschlößtal. Before the Messlingbach bridge, turn left and follow the path along the crest of the Tauernbach. Under the thick ice, you can hear the gurgling and gentle rushing of the stream. At midday, the gentle winter sun makes this area glisten. After 1.8 kilometres you reach the starting point again.
