Winter hiking trail Dorf - Hinterbichl

Description

From the Prägraten a. G. municipal office, this leisurely winter hiking trail first leads to the Bichllift, where a food truck with hot drinks and small treats invites you to linger. It then continues north of the Isel – across gently snow-covered fields and gentle hills – to the idyllic district of Hinterbichl.

Regional delicacies and genuine Tyrolean hospitality await you at the Islitzer inn. Refreshed and relaxed, you can make your way back along the same route – or take the convenient bus line 951 back to Prägraten a. G. and end the day in comfort.
