Description

Prägraten a. G. is a true winter hiking paradise. Glittering ice crystals, the soft crunch of snow underfoot and the gentle babbling of the Isel river accompany you on this idyllic trail through the snow-covered landscape.

The large loop is around 4.5 km long and can be easily shortened halfway through – ideal for families and anyone who wants to enjoy winter at their own pace.

The Gries Café invites you to recharge your batteries – whether with coffee and cake, a crispy pizza or a cosy cocktail in cosy warmth.
