## Description

Start your hike at the Zwischenberger Sattel car park and follow the forest path steadily uphill. Once you've passed the pasture gates, you'll reach a picturesque clearing. The summit, complete with the Anna mountain hut, isn't far away. At the Ederplan, a fantastic view of the Möll Valley, Lienz and the Lienz Dolomites awaits you. The absolute highlight: the imposing summit cross, which stands majestically atop the viewing hill.
