Description

One of the most beautiful canyons in Osttirol is accessible again since summer 2024!

The hiking trail is classified as a **red mountain trail** - so you should definitely bring surefootedness with you. You can hire helmets at the tourist information centre in Matrei i. O. The trail leads from the southern entrance to the canyon - past calm river meadows - into the gorge, which is over 120 metres deep. The mighty **Steiner waterfall** plunges over 100 metres into the gorge and provides you with a cooling, fresh spray on hot summer days.

Helmets can be hired at the tourist information in Matrei i. O.!
