## Description

This panoramic, easy hike starts at the hut Berggausthaus Goldried. After the ascent with the cable cars Matreier Goldried Bergbahnen you hike at the same altitude to the hut Kals-Matreier-Törl. The wide path leads over the Goldriedalm without much effort and is also suitable for prams.

You will then reach the hut Bergrestaurant Glocknerblick in Kals am Großglockner via species-rich mountain meadows. The summit world of the Hohe Tauern National Park with over 66 three-thousand-metre peaks accompanies you at every turn. Großglockner, Großvenediger, Rotspitze and Glödis are just a few famous examples.

The way back can be done in the same way or you can descend to Kals am Großglockner and take bus line 952 or 951 back to Matrei in Osttirol.
