## Description

On the Thiemeweg, you walk along historic paths, as it is already over 100 years old. Several 'pause stations' now breathe new life into the path. These play stations (weighing game, ball game, water pipes, gnome village, harp game, alphorns, firecrackers,...) are an absolute highlight, especially for children. The trail can be reached either from the Proßegg district or from Zedlacher Straße. **However, the variant via Proßegg is only recommended for experienced hikers who are sure-footed!** The trail then leads along a gently ascending path to the mountain village of Zedlach and ends at the Strumerhof herb inn.
