Description

This 3.000m top situated in the Schobergroup is less frequented. Taking the hiking path nr. 60b and AV 912 or the track nr. 60 into the Kalser Lesachtal to the Lesachalm. Than leads the hiking path nr. 65 and 65a to the top. There is a overwhelming view over the whole valley of Kals, to the Großglockner and far into the Schobergroup. Well known neighbours are the Schönleitenspitze and Böses Weibl.

On the way to the top there are small lakes called Zelockssee at a level of 2.600 m.
