## Description

From the Zettersfeldbahn mountain station, first turn left past the "Steinermandl" 4-seater chairlift in the direction of "Die Alm". From there, follow the signs along ski route no. 13, initially through the forest to the fairytale meadow. From here, you enter open alpine pastures and always have the sun behind you as you move past the Lackenboden reservoir to the mountain station of the Schoberköpfl T-bar lift. Crossing the drag lift track early is prohibited! Toilets are located a few metres below the finish point at the Steinermandl panorama restaurant.

The ascent and descent are only permitted during the operating hours of the mountain railway!
