## Beschreibung

Starting point is Görtschach, some 1.9 km to the east of Dölsach. Leave the main road to Lienz (junction at Dölsach swimming pool) and get to the towns of Gödnach and Görtschach. Past the fire station, the road climbs to Brennerhaus, No. 14 (Schrannen). From here there is a long climb. The route branches out on several occasions, but signposts show the way.

From the rustic benches at the Anna Schutzhaus bothy you can take in the fantastic views from the Carnic Alps to the Lienz and Sexten Dolomites, right to the middle summits of the Schober group. All the names of the summits have been listed on the panoramic information boards, skilfully crafted in wood.
