Description

The Anras village tour starts at the so-called "Pfleghaus". We start in a southerly direction through the small village of Anras towards the "Ried" district. After approx. 1.5 km, we turn left to the "Hohes Kreuz", where the first power place is located. Continue along a dirt track in the direction of the sports field. After approx. 500 m, we turn right and after approx. 70 m along a tarmac road, we continue along a field path for approx. 100 m. Then we turn left again onto a forest path, where you will find theme board no. 5. After approx. 150 m in the shady forest, we come to a tarmac road again. On this road we return to the starting point and pass theme board no. 6.

The Anraser Dorfrunden can also be walked in the opposite direction. There are seating facilities and a toilet at the sports field along the way.
