Description

Running on the banks of the Kalserbach, beneath the towns and through the variety-packed landscape, with a romantic circumnavigation of the fish pond, this promenade slope is a short, moderately difficult section, with a climb beneath St.-Georg's church up to the river area. There is also a winter hiking trail which proceeds along this slope. There are access points in Kals/Untenburg at the Sportheim/ice rink with panoramic display boards of the slopes, near Wirtsbrücke below Kals/Ködnitz at Lanabrücke in Kals/Lana and at Knopfbrücke below the town of Kals/Arnig. There is a stop-off point here at the Sportstube in Kals/Untenburg.
