## Beschreibung

The tour starts directly at the Faschingalm car park at the large ski touring portal. From here, follow the signs, initially along a somewhat steeper section. The second half of the tour stretches over terrain crests along the panoramic descent to the mountain station of the Schoberköpfl T-bar lift. Toilets are located a few metres below the finish point at the Steinermandl panorama restaurant. The ascent and descent are only permitted during the operating hours of the mountain lifts!
