### Description

The hiking tour starts in the district of Maria Hilf at the small church. First follow the tarmac road towards Pötsch. In front of the little bridge, turn left onto the hiking trail towards Alpe Stalle, which after a few minutes of walking leads you back onto the forest road towards Alpe Stalle. After a few metres, you will see the next turn-off that leads you onto a hiking trail through the woods. When you first get back onto the forest road, the hiking trail through the woods continues on the other side of the road. Again, the hiking trail ends on the forest road towards Alpe Stalle. From that point, follow the forest road all the way to Jausenstation Alpe Stalle, where you can enjoy the keeper's delicious meals.

To walk back, either follow the forest road all the way down into the valley or take the same way you back.
