## Description

The tour starts close to Ratzell, a mining settlement, from where the educational trail continues to the 'Tröglisschupfen', refurbished hay barns which are used as the main rest and information points. The sun-drenched mountain pastures, dotted with flowers which are interspersed with wetter areas, attract a large number of different butterflies. From the rest area to the highest point of the educational trail at 1700 m, you get to enjoy a superb view to the Deferegggen mountains.
