### Description

From the parking place Goldriedstraße, the trail first passes the Muh-Bar, the PanoramA-Bar and the Hotel Goldried. Between the hotel complex, a forest path leads up to the hill Klaunzbühel and the chapel Klaunzkapelle. The Klaunzkapelle or Klaunz Kirchle was built in the 18th century and consecrated in honour of the Mother of God. Then walk along the road leading away to the right until reaching the house Klaunz nr. 27, where you turn left and follow the path to the next junction. At this junction, keep left and follow the street Innerer Klaunzerberg for a while. In front of the farmhouse "Kölln", a forest path branches off, which subsequently leads to the street Äußere Klaunzer Güterweg. Take this path, past the farmhouse Huberhof, back to the starting point.
