Description

The starting point of this hiking tour is the parking place Marin, accessible from the districts Göriach or Obermauern. A footpath through the forest takes you past the Chapel Allerheiligenkapelle. After crossing the road, another shortcut leads to your hiking destination, which can be reached after a walking time of about 1,5 hours.

A more leisurely alternative is the forest path that leads away from the left side of the parking place Marin. This path is also well doable for senior citizens and children. On this way you will need about 2 hours to reach the Gottschaunalm.
