Description

Starting point is the car park at Zetttersfeld cable car valley station. From there, take the gondola to the Zetttersfeld 1812m, then the 4-seater chairlift to the Steinermandel, 2213m. From there proceed on the well signposted hiking trail to the north of the Goisele. After a short descent of around 20m, the route flattens, crossing the Alpine terrain, past the "Stammtisch" to Neualpseen. After a circuit of the lake and a long rest, you can head back via Neualpschneid, which is to the south of the Goisele, and back to the mountain station for the 4-seater chairlift.
