Beschreibung

From Kals-Glocknerhaus in a northerly direction to Burg-Taurer. The road climbs steadily for around 2.5 km until the crossing point of the Dorfertal and Moaalm. Here turn to the right and drive further up the tarmac road for another 2.5 km to Moaalm and further to the parking place. Here is the finish and you may rest on a sunny place at a smal woodden bench an enjoy the nice panoramic view. Should you like to hike further up and if you are not afraid of hights you will reach the Gernot-Liebl panoramic spot area, which offers a great view into the wild and romantic Dorfertal.
