## Beschreibung

The starting point for this hiking tour is the parking place "Sägewerk". From there you first follow the asphalt road in a southerly direction. Then you cross a bridge and soon enter the forest. Stay on the forest road and always orientate yourself along the valley Lasnizental. At the end of your adventure, hike up along the stream Lasnitzenbach and follow the forest road to the hut Lasnitzenhütte (1.900 m), which once again leads into a narrow path shortly right before the arrival.
