## Description

Where Helenental Alpine Road comes to its peak near Zettersfeld (20 minutes northwest of the ropeway's upper terminal), a path leads across mountain pastures to Rotmannalm, 5 minutes. On the western edge of Zettersfeld, a highly frequented path leads upwards. Where wind railings hold back the snow on a stage of slope in winter, we are already close to artificial Lake Lackenbodensee on 2080 metres above sea level, 40 minutes. The lake reflects the Schleinitz in summer and feeds the snow making machines in winter. It just takes a last little ascent to visit the Steinermundl in the northeast and north of Schoberköpf (tow lift).
