Description

This beautiful hike's starting point is Ströden carpark. First you walk along the broad driveway all the way to Iskitzeralm where a hiking path to the Umball Waterfalls begins on the right. Then follow the path which features a few stages until you get to a big meadow. Here the path branches off. Follow the path on the left all the way to Clarahütte. Here you can enjoy the breath-taking view onto Rötspitze from the sun terrace above the glacial stream while you're having a snack or coffee and cake.
