Hike Deferegger Pfannhorn

Description

The **Deferegger Pfannhorn** is a border summit to the south-west of Maria Hilf. A mountain which comprises fantastic all-round views to the **Rötspitze**, **Großvenediger**, **Großglockner**, **Hochschober**, **South Tirol Dolomites**, ...

Starting point is car park "**Grünbichl**". From there head to "**Hirschbichl**". Now proceed via a steep path via Alpine pastures in a south-westerly direction, then bear left to a distinct hollow. Via the grassy slopes which follow proceed between two impressive rocks, somewhat to the left and climbing steeper up to the flanks of the summit. Via this arduous route section, gravelly in parts – in part over rock ledges – up to the summit.
