Description

From the mountain station, the **Children's Mile** with its 13 interactive stations follows a wide hiking trail past the Speicherteich to **Jochsee**. Continue along the path, passing just above the historic hay hut ensemble **"Kutteschupfen,"** and ascend the easily accessible **Golzentipp**, the local mountain of the Tilliacher. From the summit, enjoy breathtaking panoramic views of the surrounding mountains, and on particularly clear days, even catch a glimpse of the **Großglockner**.
