## Description

From the parking area above the restaurant "Schöne Aussicht" in Iselsberg, the path primarily leads together with the MTB path Roaner Alm (156) for almost 1 km until to the road which splits off at the turn, from where the two paths separate. The path "Roaner Alm Weg 156" leads straight ahead to the same named Roaner Alm. The path "Brandweg" turns left in a north-westerly direction through the high forest until to the junction of the "Debanttalstrasse" and the MTB path Debanttal No. 153, which continues to the Lienzer hut. Thus, this path is a connecting route between the two MTB routes nr.153 Debanttal and nr. 156 Roaner Alm which can be used in both directions.
