Description

With the sports field of Debant being the starting point, this varied bike route of about 17 kilometres length leads you out of the village through the district Alt-Debant and then runs alongside rushing creek Debant into the idyllic Almental. Riding through ambrosial forests on various terrains, a pleasant ascent will lead you to farmed Lienzer Hütte. On the way there, you will pass popular starting points for hiking tours, like the car park of Seichenbrunn. Especially the impressive landscape that you can enjoy on this tour is unmatched.
