## Description

From the Dorfertal car park, via the Moa-Alm-street (alpine road), until the bridge of the Teischnitzvalley. There leads a forest path nr. 712 leads on the right side up into the Teischnitzvalley. After 2 hours and passing a small canyon the valley leads to a plain landscape and the direct view to the Großglockner is possible. There starts a small path climbing in about 2 hours to the Stüdlhütte. For hikers without any car a hiking trail leads from the Taurer (bus stop) up to the Teischnitzbach bridge. Also possible as a circular tour by a descent via the Lucknerhütte in Ködnitztal and to the Lucknerhaus (bus stop) in about 2 hours.
