## Description

The tour starts close to **Ratzell**, a mining settlement, from where the educational trail continues to the "**Tröglisschupfen**", refurbished hay barns which are used as the main rest and information points. The sun-drenched mountain pastures, dotted with flowers which are interspersed with wetter areas, attract a large number of different butterflies. From the rest area to the highest point of the educational trail at 1.700 m, you get to enjoy a superb view to the **Deferegggen mountains**.
