## Description

From Rauterplatz, follow the path over the wooden bridge by the Bretterwandbach stream. You then pass the National Park House and the parish church. Follow the yellow signs in the direction of Hildenweg. Approx. 50 metres above the Tauern community, the Hildenweg leads - without any real ascent - on a flat stretch to the district of Seblas. Cross the Felbertauern road through the subway and then reach the wide gravel path along the Isel. You can also take the narrow path along the edge of the river - whichever you prefer. After approx. 1.5 hours you reach the starting point again.
