

# Winter hiking paths Prägraten am Großvenediger

## **Bodenalm 1.960 m**

Starting point:	Tourist Information Office Prägraten or chapel Wallhorn
Walking time:	3 h 50 min
Altitude:	650 m
Track length:	5.000 m

This path leads through the village St. Andä, further in an easterly direction to the chapel Wallhorner (small number of available parking slots!). Afterwards go along the street „Gemeindefahrstraße“ until arriving the last farmhouse, which is named „Osima“. There's where the original walking path starts. Following this plenty of bends containing path you will reach the alpine territory „Grießeralm“ and also the „Bodenalm“.

## **Stabanthütte 1.800 m**

Starting point:	Parking lot Bichl
Walking time:	2,5 h
Altitude:	305 m
Track length:	4.800 m

This path leads from the so-called „Weiler Bichl“ in westerly direction to the tavern Stabanthütte. For this route, it is important to always stay on the roadway.

## **Sonnseitenrunde (above the farm Replerhof)**

Starting point:	Tourist Information Office Prägraten
Walking time:	30 min.
Altitude:	126 m
Track length:	2.696 m

This path initially leads along the communal road through the village in direction district Wallhorn, passing the first under the street located houses. Then, after a sharp left-turn turn left onto the pass way. Following this pass way, you will reach in westerly direction the huge construction for stopping mudflows and avalanches. From this point, you have to go downhill for a little time, then cross the river Timmelbach by using the pedestrian bridge. The path leads above one free-standing house to the communal road in direction district Bichl. The descent takes directly place by using the communal road. So the endpoint is also the starting point.

## **St. Andrä - Bichl – Hinterbichl**

Starting point: Tourist Information Office Prägraten  
Walking time: 3 h  
Altitude: 183 m  
Track length: 3.807 m

Starting point is Prägraten – St. Andrä. From there, the path leads up to the so-called Weiler Bichl („Adis Treff“ - good location for a pause). It's this point, from where you have to go down to the contry road Virgental-Landesstraße and further to the district Hinterbichl (Tavern „Islitzer“ - possibility for lunch).

## **Islitzer Hinterbichl - Wiesenkreuz – Tavern Groderhof 1.542 m**

Starting point: Tavern „Islitzer“ in the district Hinterbichl  
Walking time: 1,5 h  
Altitude: 213 m  
Track length: 4.500 m

This path directly leads from the tavern „Islitzer“ up to the parking facility „Wiesenkreuz“ (quarry Prasinit-Steinbruch). From there, cross the bridge and go to the tavern „Groderhof“. For the descent, take the communal road to the district „Hinterbichl“.

## **Berger-Eck (track on the shady side of the village) 1.478 m**

Starting point: Sports ground (parking lot available)  
Walking time: 2,5 h  
Altitude: 218 m  
Track length: 1.894 m

Starting from the sports ground, this path leads in easterly direction – always staying on the forest trail to the „Berger Eck“. This position ensures you an excellent view of Prägraten and the neighbouring community Virgen.

Please always respect the signs! (danger of avalanches, do not leave the secure area and so on)
