

## Osttirol à la card

19<sup>th</sup> June – 17<sup>th</sup> September 2023

If you want to enjoy the whole diversity of Osttirol, **Osttirol's Glockner-Dolomiten Card** is the perfect choice for you. This card combines numerous destinations in one handy keycard. You can visit mountain railways, public pools and different **nature & culture offers** for three or seven days - once a day, at no extra charge.

The card is available at the tourist information office (in all regions in Osttirol), at selected card partners and on request at your accommodation.

Excursion tips

Take advantage of free rides on the Zettersfeld, St. Jakob and Obertilliach mountain lifts to the family attractions on the mountain with Osttirol's Glockner-Dolomiten Card.

Familienpark Zettersfeld

Get into the gondola and up to Zettersfeld! Along the way you will find 15 adventure play stages. All of them invite to play and romp or to relax. The adventure kit, consisting of a racket, ball and little storybook, can be purchased directly from the valley station of the „Bergbahnen Lienz“ (cable cars) for a fee of € 6,- per adult and € 3,- per child (€ 15,- security deposit per kit). Gondola ride included (not mini golf)

Children's mile at Golzentipp

The Obertilliach children's mile leads with a total of eight stations along the walking path suitable for pushchairs from the peak station of the cable car Golzentippbahn. A waterway, an agility test climbing on wooden logs, a labyrinth and much more: plenty of entertaining variety is provided! The area by the reservoir lake with a wealth of views marks the highlight for the family. Here your gaze can drift from the „Hohe Tauern“ with the Grossglockner to the Lienz Dolomites and Gailtaler Alpen and over to the Karnische Alpen.

Wassermýthos Ochsenlacke

Remarkable animals live at the Ochsenlacke on the Mooseralm, in the ski center St. Jakob, high up in the mountains in the Defereggental valley: brown trout, dipper, dragonfly, Alpine newt and grass frog. The 5 oversized animal figures invite children and the young at heart to learn more about the guardians of the water in a playful way. The viewing platform - directly at the grade to the Kleiner Leppleskofel - also offers a spectacular view on the local mountains. From the middle station of the Brunnalm gondola lift, a comfortable, easy hiking trail leads directly to the water myth of Ochsenlacke after about 45 min.

Use all public transport in Osttirol free of charge - with the guest card!

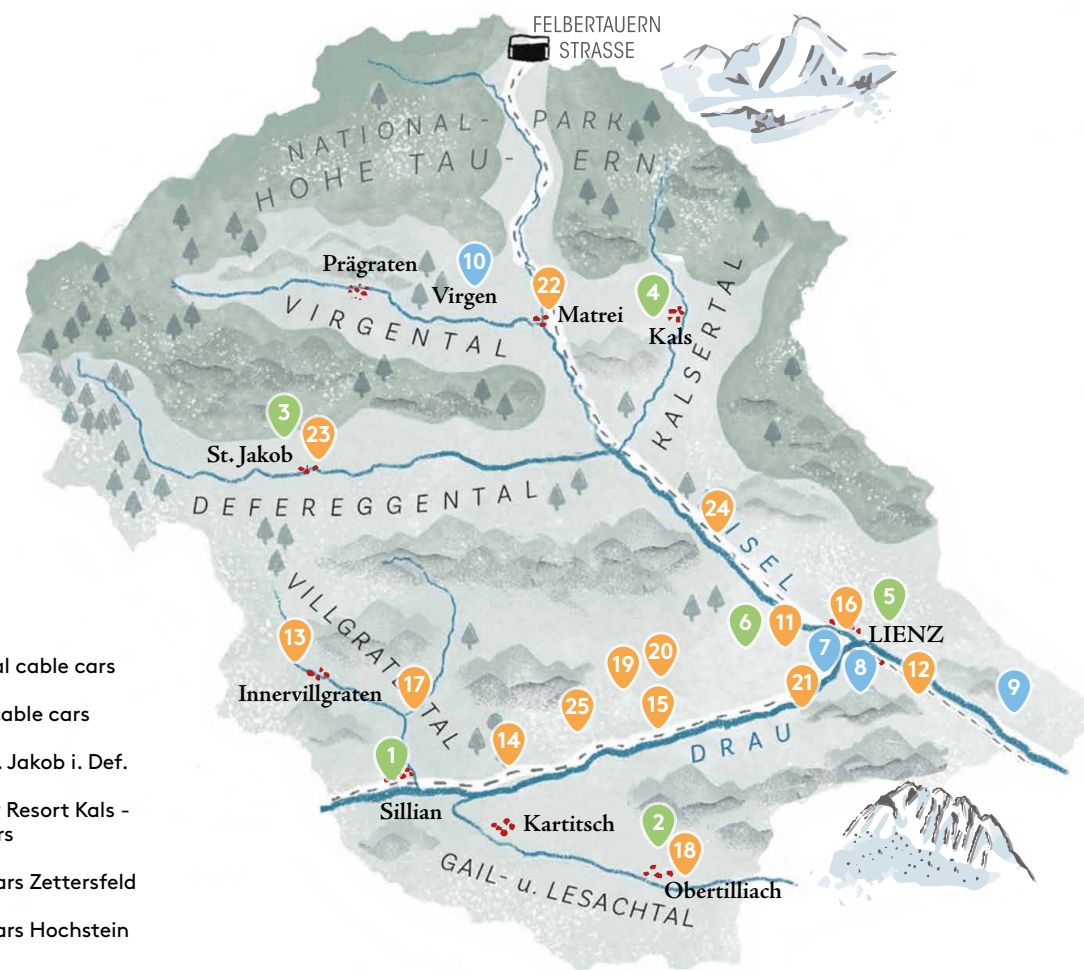

Get on and go - guests with a valid guest card can use the extensive mobility offer throughout Osttirol free of charge. You can get your guest card from your hotel/landlord - it's best to ask for it right away!

Important note: This free ride regulation does not apply to the train line and bus lines 4420 Lienz-Innsbruck and 950X Lienz-Kitzbühel (express busses) or to hiking busses.
