Excursion tips

Familienpark Zettersfeld

Get into the shuttle and up to Zettersfeld! Along the way you will find 15 adventure play stages. All of them invite to play and romp or to relax. The adventure kit, consisting of a racket, ball and little storybook, can be purchased directly from the valley station of the „Bergbahnen Lienz“ (cable cars) for a fee of € 6,- per adult and € 4,- per child (€ 15,- security deposit per kit). Gondola ride included (not mini golf)

No summer operation of the Zettersfeld gondola lift due to construction work. Information about the shuttle bus and the opening hours of the family park can be found here: www.lienzer-bergbahnen.at

Children's mile at Golzentipp

The Obertilliach children's mile leads with a total of eight stations along the walking path suitable for pushchairs from the peak station of the cable car Golzentippbahn. A waterway, an agility test climbing on wooden logs, a labyrinth and much more: plenty of entertaining variety is provided! The area by the reservoir lake with a wealth of views marks the highlight for the family. Here your gaze can drift from the „Hohe Tauern“ with the Grossglockner to the Lienz Dolomites and Gailtaler Alpen and over to the Karnische Alpen.

Wassermýthos Ochsenlacke

Remarkable animals live at the Ochsenlacke on the Mooseralm, in the ski center St. Jakob, high up in the mountains in the Defereggental valley: brown trout, dipper, dragonfly, Alpine newt and grass frog. The 5 oversized animal figures invite children and the young at heart to learn more about the guardians of the water in a playful way. The viewing platform - directly at the grade to the Kleiner Leppleskofel - also offers a spectacular view on the local mountains. From the middle station of the Brunnalm gondola lift, a comfortable, easy hiking trail leads directly to the water myth of Ochsenlacke after about 45 min.
