## EXCURSION TIPS

Experience the free ascent with the cable cars Zetttersfeld, Brunnalmbahn / St. Jakob and Obertilliach to the great familyattractions on the mountain.

## FAMILIENPARK ZETTERSFELD

Get into the gondola and up to Zetttersfeld! Along the way you will find 15 adventure play stages. All of them invite to play and romp or to relax, with interesting information on the 15 occurring animals being shared. The adventure story of the family park's mascot „Steiner Mandl“ makes the stages come to life with a little imagination and guarantees an exciting day on the Zetttersfeld.

The adventure kit, consisting of a racket, ball and little story book, can be purchased directly from the valley station of the „Bergbahnen Lienz“ (cable cars) for a fee of € 6,- per adult and € 3,- per child (€ 15,- security deposit per kit).

## WASSERMYTHOS OCHSENLACKE

Remarkable animals live near the lake „Ochsenlacke“ on the Mooseralm in the heart of the St. Jakob ski area, high up in the mountains in Defereggental: brown trout, dipper, dragonfly, alpine newt and common frog. The five oversized animal figures invite children and the young at heart to learn more about the „guardians of the water“ in a playful way. The viewing platform - right on the grade to the „Kleiner Leppleskofel“ offers a spectacular view at the mountains.

## CHILDREN'S MILE AT GOLZENTIPP

The Obertilliach children's mile leads with a total of eight stations along the walking path suitable for pushchairs from the peak station of the cable car Golzentippbahn.

A waterway, an agility test climbing on wooden logs, a labyrinth and much more: plenty of entertaining variety is provided! The highlight for the family is the area by the reservoir lake with a wealth of views. Here your gaze can drift from the „Hohe Tauern“ with the Grossglockner to the Lienz Dolomites and Gailtaler Alpen and over to the Karnische Alpen.
